POLICY STATEMENT

SSS

Students at Russell-McDowell Intermediate School will be placed in self-contained homerooms, and flexible grouping will be used to meet the needs of each individual student. Common math times within R-MIS **grade levels** ~~and in conjunction with RMS,~~ will occur to better meet individual needs of students **and to allow for acceleration**. Additionally, team teaching will occur for certain content areas. Lesson plans and student samples must reflect continuous integration of all content areas and real world connections.
