

Russell Enterprise Institute

Parents/Guardians

Hello Families! We are in the home stretch of the first semester. I am excited to report that our students are very close to wrapping up their Mathematics credit for this year. If your student finishes strong and completes this credit, they will have earned 3 credits before Christmas. I am overwhelmed by the progress made by our students! Thank you for trusting us with their education!

I will be calling this week to schedule our second round of ILPA meetings. Remember, we have to meet 4 times during the school year to measure the progress of your student toward their goals. Please plan to make this brief meeting on behalf of your young person. It is also a great opportunity for you to provide some feedback regarding your perspective of the program.

Last week we went to Greenbo for a hike. It was a beautiful day and we learned some things about tree identification as well as hiking in general. We also found out that some of our young folks could use a little fitness! It was a fun time and we look forward to getting back out when the weather breaks this Spring!

Please call me with any questions you might have. I will always respond from (606) 232-7657.

Kind Regards

Anthony

Here are our kiddos at Greenbo. They are a good looking bunch!
